

Woodstock P. T.

September 2011

Our mission is to sponsor programs, projects, and activities that will aid and support the educational process and well being of the children who attend Woodstock Public Schools.

WELCOME BACK!!

The Woodstock P.T.O. would like to welcome everyone back to school, and welcome any new families we have to our town! We hope you had a fun and restful summer vacation.

We had a great year last year, and are looking forward to your help in making this year even better! We have many different ways you can help: join us at our monthly meetings and share your ideas for what we can do or how we can improve; chair a committee; organize an event; bring baked goods to various events; volunteer to help out at an event; etc. You do not need to attend every meeting, and you do not have to volunteer at every event to make a difference. If every parent gave only 2 hours of their time each school year, we could accomplish some amazing things.

Please fill in and return the attached membership form. Be sure to include your email address. We are proud to have greatly reduced the amount of paper we use, and therefore you will not receive any more of these newsletters on paper. Instead, they will be distributed by email. We will also be unveiling an updated website in the very near future at www.woodstockpto.org. Please check the website for all of the latest updates.

Positive Parenting Workshop by Renowned Child Expert Ruth Freeman

- Is your child spending too much time in "time out?"
- What's the difference between punishment and discipline?
- Are you concerned that you are too strict or too easy?

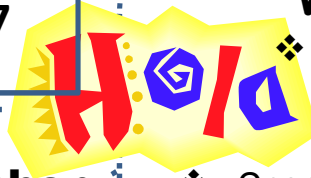

Do you sometimes think there must be a better way?

Learn what's important about self-worth in children, how to use positive discipline to increase cooperation, and ways to strengthen the parent-child connection.
